

## *95.9 KISS FM AT A GLANCE*

Wabash County's **first radio station**, WKUZ has been on the air since April of 1966. The staff and management pride themselves on being the local source for information and entertainment, and encourage their employees to become active in a variety of local groups, organizations and community events.

95.9 KISS FM's 24-hour programming includes hourly newscasts from a national network with local stories from the county, area, and state levels. **95.9 KISS FM is the most reliable source for weather, school delays, announcements, and current information.**

*The music format of WKUZ is the hits of the 70's, 80's, 90's & Today, featuring an exceptional morning show to get the day started off right and a full exciting line up of music and on-air personalities throughout the day. WKUZ consistently broadcasts high school, college, and professional sporting events, in addition to live broadcasts from other area events.*

WKUZ Radio 95.9 KISS FM broadcasts in digital stereo from this area's most modern facility. The height of the WKUZ tower combined with the proximity to many large communities provides excellent reach to nearly 23 counties in North Central Indiana.
